

FINAL CONFERENCE OF THE GRASPOS PROJECT

# OPENING RESEARCH ASSESSMENT

## PROGRAMME

CNR AREA DELLA RICERCA, PISA, ITALY

12 - 13 NOVEMBER 2025

graspos

Funded by  
the European Union

## Introduction

9:00–9:30

Entrance Hall /  
Building A

Registration

9:30–9:45

Auditorium

Welcome by organisers

Vito Pirelli, CNR-ILC Director, Roberto Scopigno, CNR-ISTI Director

9:45–10:45

Auditorium

**Keynote Talk** Dr Elizabeth Gadd, Loughborough University – Should we be assessing openness openly or at all?

10:45–11:15

Coffee room

Coffee break

## Session A: Open Infrastructures for Responsible Research Assessment

11:15–12:15

Auditorium

- GraspOS: connecting assessment reform and Open Science, Ludo Waltman, CWTS
- GraspOS: uncovering the power of open resources for research assessment, Thanasis Vergoulis, ATHENA RC
- The role of infrastructures for research assessment: various scenarios from the computer science perspective, Laurent Romary, INRIA
- Improving research assessment through Open Science: the Faculty of Chemistry Pilot experience, Vladimir Otasevic, UNIBE

12:15–13:15

Auditorium

Panel discussion: challenges and next steps

Paolo Manghi – Chair | CNR, OpenAIRE, Francesca Di Donato, CNR, Javier López Albacete, EC, Giulia Malaguarnera, OpenAIRE, Silvio Peroni, UNIBO

13:15–14:15

Coffee room

Lunch break

## Session B: Transparency and Inclusivity of Assessment Processes

14:15–15:15

Auditorium

- SCOPE+i: evolving practices in research assessment, Clifford Tatum, CWTS
- Implementing the Agreement on Reforming Research Assessment in RPOs: lessons from the CNR Pilot, Andrea Mannocci, CNR
- Community voices in research assessment: Insights from the SSH Pilot, Carol Delmazo, OPERAS

15:15–16:15

Auditorium

Panel discussion: challenges and next steps

Alex Rushforth - Chair | CWTS, Alina Irimia, UEFISCDI, Janne Pölönen, TSV, Lottie Provost, CNR

## Posters session

16:15-16:45

Auditorium

One-minute pitches for accepted posters

16:45-18:00

Coffee room

Poster discussions with coffee

20:00

Social dinner Ristorante la Pergoletta, Via delle Belle Torri, 36, 56100, Pisa

## Introduction

9:00-9:30

Entrance Hall /  
Building A

Registration

9:30-9:45

Auditorium

Welcome by organisers

Francesca Di Donato, CNR, Thanasis Vergoulis, ATHENA RC

9:45-10:45

Auditorium

Keynote Talk Prof. Maria Chiara Carrozza, University of Milano-Bicocca - Align, Act, Accelerate. A perspective on Open Science and responsible research assessment

10:45-11:15

Coffee room

Coffee break

## Session C: Recognition of Contributions to Open Science

11:15-12:15

Auditorium

- Towards the implementation of an Openness Profile: the case of Research.fi, Laura Himanen, CSC
- Enhanced Researcher Profile: integrating openness, diversity, and narrative elements in researcher profiles, Ioana Spanache, UEFISCDI
- MyResearchFolio: advancing Open Science-aware and responsible research assessment, Zenia Xenou, Giulia Malaguarnera, OpenAIRE
- Hybrid indicator for responsible research assessment and Open Science evaluation, Heikki Laitinen, Katri Rintamäki, UEF

## Session D: Additional reflections

12:15-12:30

Auditorium

European Commission support to the reform of research assessment, Javier López Albacete, EC

12:30-12:45

Auditorium

Aligning values: reimagining research assessment for an open future, Giovanna Lima, DORA

12:45-13:00

Auditorium

Closing remarks
